

# PERSONALISED LANGUAGE CLASSES

*Confidence starts with conversation*

ONLINE | IN-PERSON - LISBON BASED 

*Olá! I'm Raquel! A Czech-Portuguese language teacher helping people connect through languages.*

*I was brought up with three languages at home, did my schooling in the French system and lived in four different countries. Languages are my passion! Today I speak eight of them, and I'm here to teach you three:*

***Portuguese • French • English***

*I have a CCP Teaching Certificate and I have taught students from all walks of life: expats, families raising multilingual children, people looking to grow in the workplace, or students preparing for language tests.*

*My approach is warm, supportive, and tailored to you.*

# WHAT MY STUDENTS SAY

*"Teacher Raquel is incredible. I have classes with her and I'm very happy and grateful. I've always had difficulties learning other languages, and with her I'm managing to evolve with each class"*

- Valentina  
[English language]

*"Raquel is an outstanding teacher and a wonderful person. Her multicultural background allows her to tailor her approach to each student and adjust the lessons to suit various levels. She provides the space, time, and flexibility needed for you to grow at your own pace and solidify your understanding. Thank you Raquel!"*

- Pedro  
[French language]

*"Raquel has a very patient and interactive teaching style. I love her lesson progression and I highly recommend you book a class with her!"*

- Inès  
[Portuguese language]
